

PROXY VS REVERSE PROXY

◀◀◀ By Hussein Nasser

What is a Proxy?

I want to go to
google.com through
proxy: my-proxy.com

my-proxy.com

google.com

I just know that I
received a request
from my-proxy

PROXY USE CASES

Caching

Anonymity

Logging

Block Sites

Microservices

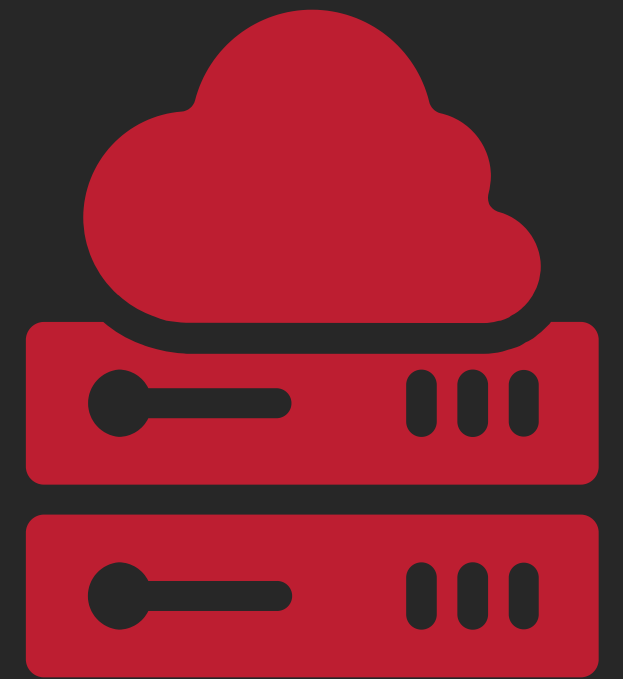

What is a Reverse Proxy?

I want to go to
google.com

google.com

google-server1

google-server2

REVERSE PROXY USE CASES

Caching

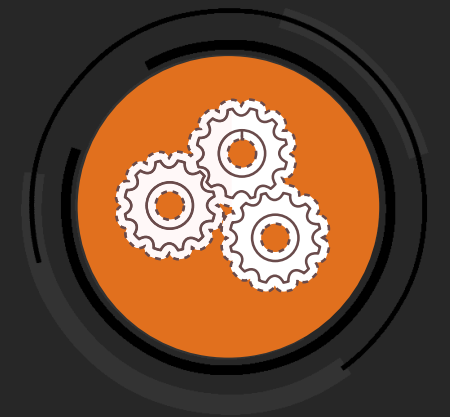

Load Balancing

Ingress

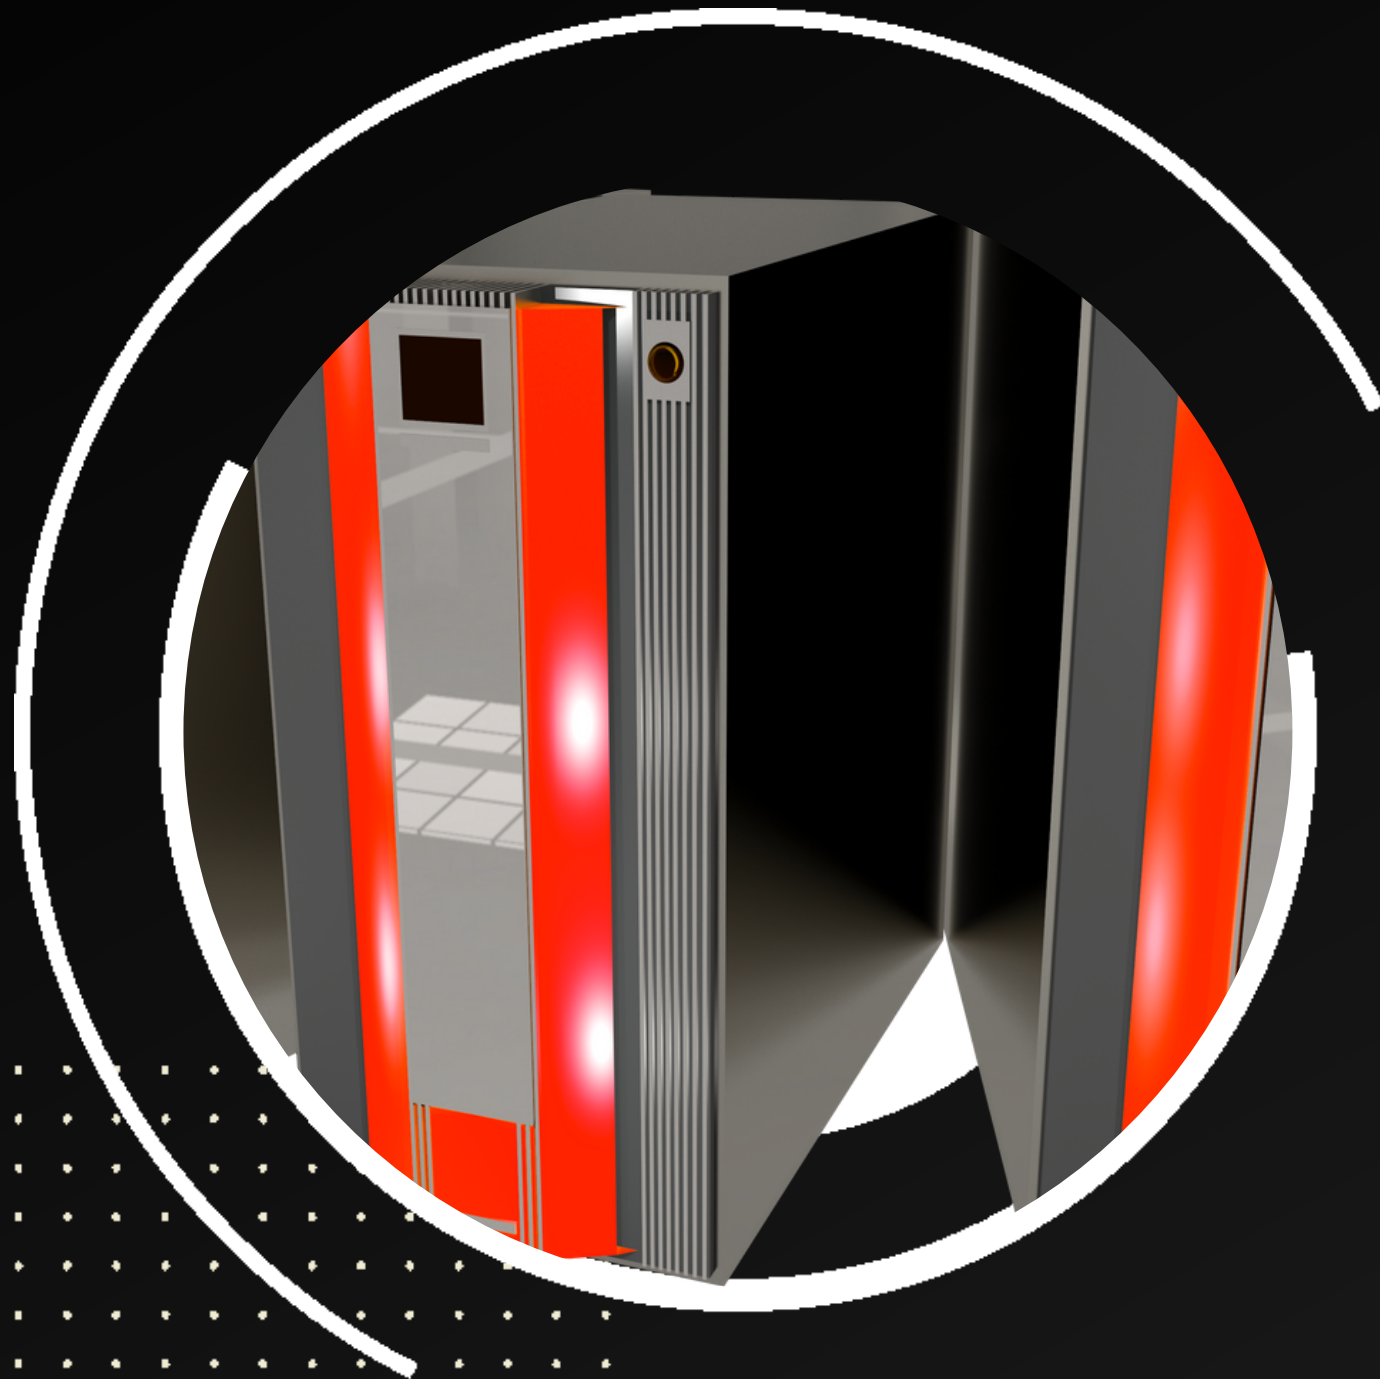

Canary
Deployment

Microservices

MOST COMMON QUESTIONS

×

Can Proxy & Reverse Proxy
used in the same time?

×

Can I use Proxy instead
of VPN for annomity?

×

Is Proxy just for HTTP traffic?
